# About Us

---

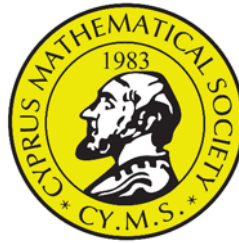

The Cyprus Mathematical Society (CYMS) was founded in 1983 with the aim of promoting Mathematical Education and Science. It is a non-profit organization that is managed and developed by the voluntary work of its members. The organisation is a member of the European Mathematical Society (EMS) and a founding member of the Mathematical Society of South-Eastern Europe (MASSEE). Within the framework of its purpose, CYMS participates and supports various EU funded projects and organizes national and international events.

# Publications

- Mediterranean Journal for Research in Mathematics Education - Since 2003
- MATHIMATIKO BHMA (national periodical) - Since 1984
- Several math books of specific content

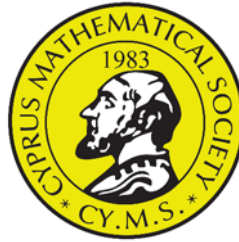

# International Conferences

- **Mediterranean Conferences on Mathematics Education - Since 1997**
- **MICOM : MASSEE International Congress on Mathematics - Since 2006**
- **EUROMATH ; Maths Conference for pupils 9-18 - Since 2009**  
→ [www.euromath.org](http://www.euromath.org)
- **EUROPEAN STEAME CONFERENCE - Since 2021**

# International Associations

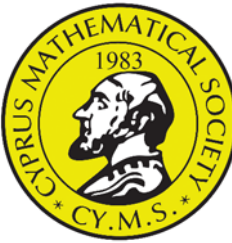

- Co-founder of MASSEE (Mathematical Society of South Eastern Europe)
- Fostering JBMO, BMO, MASSEE Congress, SEEMOUS, Publications
- European Mathematical Society –Educational Committee

# National Conferences

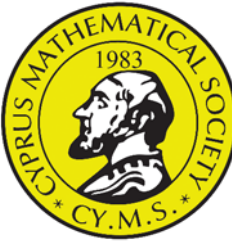

- **Annual Cyprus Conference on Mathematics Education and Science - Since 1997**
- **Annual Student Conference in Mathematics - Since 2005**

# National Competitions

- Cyprus Mathematics Olympiad, multiple choice covering grades 3-12
- Regional and National open question competitions
- Selection Competition for National Teams
- Mathematics Relay Competition
- MATHeatre Competition
- MATHFactor Competition
- SCIENCE-Factor
- SCIENCE-Theatre

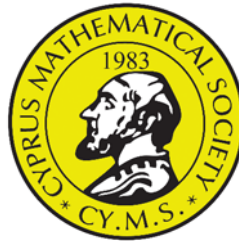

# International Competitions

- JBMO
- BMO
- SEEMOUS
- MATHeatre Europe
- MATHFactor Europe
- SCIENCE-Factor
- SCIENCE-Theatre
- IMO participation
- IMC Participation
- MYMC Participation
- EGMO Participation

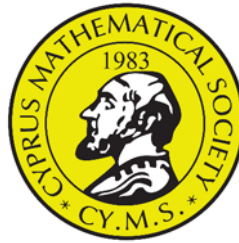

# Summer Schools

- Annual Summer Mathematics School since 1992.  
→ Runs during July.

## Best Research and Practice Project Award 2015

### Learning Mathematics through new Communication Factors (Le-MATH)

Dr. Gregory Makrides and colleagues

Cyprus Mathematical Society, Cyprus

Has been nominated for the EAPRIL Best Research and Practice Project (BR&PP) Award 2015, together with 3 other projects. In the final round this project ended in a 2<sup>nd</sup> place. With this nomination and 2<sup>nd</sup> place, EAPRIL wants to acknowledge the high quality of this practice-based research project, conducted by practitioner researchers in the field of education, learning and instruction, and training and development.

The Awarding Committee consists of the following members: Frank de Jong (EAPRIL Chair), Arnoud Evers (EAPRIL Board Member), Jörg Holle (EAPRIL Board Member), Charles Max (Local Organising Committee Luxembourg), and Alberto Cattaneo (Winner BR&PP 2014)

The Awarding Committee would like to thank and congratulate you for your application and participation in the EAPRIL 2015 conference.
