Project activity*																								
WP1 - Management activities	1																							24
WP6 - Quality assurance & Risk Management	1																							24
WP8 - Dissemination activities (during and after the project)	1																							24
WP2 - Preparatory activities	1		3																					
WP7 - Acquisitions					5																			24
WP3 - (R1) Design of an European Platform of Video Lessons hosting videos accessible by teachers, students at any time and any place and through any device applying Bring Your Own Device approach		2											13											
R1.A1. Design and programming of the interface		1				6																		
R1.A2. Development of the methodology and educational approach			2				7																	
R1.A3. Development of the materials and creation of the first BETA version						6						11												
R1.A4: Testing of the BETA version										10			13											
R1.A5: Localization of materials										10			13											
WP4 - (R2) Design of a Methodology and specifications for the design of the video lessons and Set of digital tools and guidance on the digitalisation of the educational content to facilitate the learning process									9														21	
R2.A1: Guide how the BYOD method and E- Platform can be used in the teaching and learning process									9							15								
R2.A2: Guide how the teacher can create their own Creativity Plans based on BYOD Method and other resources according to their needs and the needs of the students									9			12												
R2.A3: Methodology and specifications for the design of the video lessons											11		14											
R2.A4: Exploration of existing cloud tools													13				16							
R2.A5: Guide to a rapid adaptation and digitalisation of educational content															15				18					
R2.A6: Development of infographics with information and comparison of digital tools																		18				21		
WP5 - (R3) Design of a Training course for supporting teachers and educators to digital transformation through development of digital readiness, resilience and capacity													13											24
R3.A1: Development of the methodology, learning outcomes and syllabus of the course													13					17						
R3.A2: Development of the modules and materials of the course															15				19					

R3.A3: Pilot test Based on pilot testing notes from partners and feedback form the participants																				19				22			
R3.A4: Fine tuning and and localization of materials																								22			24
WP9 - Transnational project meetings TPM1-Poland, TPM2- Bulgaria, TPM3-Greece		TPM1	EX									TPM2											TPM3				
WP10 - Multiplier events																									22	23	
WP11 - Training event in CYPRUS (R3)																										23	
WP12 - Exploitation plan and Sustainability																								22			24
